“ Gary, thank you for being the type of person to bring joy on some of the hardest days. You always knew how to make someone laugh and always had plenty of great stories to share with me. I miss being able to work with you; I know we could all use some humor or a smile from you right now. We'll always be thinking of you, rest easy.

“ Gary,
So very sorry for your loss. I can't even imagine how hard it must be to lose a child even a grown one. Please know you and your family are in my thoughts and prayers during this difficult time.
