“ We are so sorry to hear of the loss of Gene, he was one of my fathers (Jack Donaghy) very good long time friends.
Daddy only had a phone # and knew how to get to Genes house but no address for Gene and he diligently tried to call with no answer. Daddy is back up north here for a visit and wanted top go see Gene. Very sad I had to give this news to my father, My dad will truly miss his long time friend . Or condolences to his family.
