“ I wanted to express my condolences for your loss of Gerald. Something that has helped many to cope with the death of a love one, is knowing how much compassion Jesus has for the pain of someone suffering. (Luke 7:12-15) This Bible account gives us a wonderful hope of the resurrection of our love ones. Also, God promises the tears of loss we shed today, will be removed forever along with all pain and sorrow. (Revelation 21:3-4) I hope you find comfort in these wonderful promises from God.
