Wow so many great memories. From hunting to cruising the streets of Wildwood in Richie's Corvette convertible and partying everywhere. All this spanning over 60 years. Richie lived life to the fullest..as long as his body allowed. He was fearless. From his wild driving to riding the highest power lines. Such a great friend. Jeanie, Gwen and I send you and your family our deepest condolences on your loss, Our prayers and thoughts are with you. Unfortunately we will not be able to attend the funeral due to family Easter commitments but please know that we are with you in spirit thru this difficult time. Fondly, Gwen and JT

Jeannie and family, I am so sorry for your loss. Richie was a force to be reckoned with and I just loved him to death. He made working at the Winchester Post Office a hoot at times. I remember running into him after his retirement at the grocery store where he went to work. He and I always got along just fine with many stories to tell. My prayers are with you.

*Our heartfelt condolences to the Jeanne, Jeff, Richie and the entire Anderson family upon your and our loss at this time. If Burt Reynolds ever had a twin brother it would be "Richie" wouldn't you say? We're all better for having known him. May you find comfort in his memory.*
