“ I'm very sad to learn about Gloria passing. She and her family lived a couple of doors up from my family in Vienna. She was always so welcoming and kind to us kids in the neighborhood. I still remember that day Gloria's family was visiting from PA and I was included in making some delicious desserts donuts, I think they were. I believe I may still have the recipe she gave me that day. She was a beautiful lady and I think of her warmly.
