“ Oh my.... Grace and Bill were like my grandparents growing up, they babysit us as kids, in the evenings I would run up through the field to their house to set on the porch and we'd laugh and carry on, my mom and dad would spend time with Grace and Bill all the time.... a lot of laughing and carrying on.
After Bill passed I bought Bill's mule Jake off Grace, rode him daily growing up! I know my Mom, Dad, Bill and Grace are setting on the porch right now!!! Love you Grace, y'all made me who I am!
