“ My deepest sympathy to the family at the this time my thoughts and prayers are with each one of you. I don't know how to say it but I know that God has blessed Helen in a special place in the world and in heaven with walking around with a smile that will be missed by many people here. Helen was a wonderful person who was helpful to one and all. You can see her call and ask her for a few minutes and then she would be there. She helped us a couple of days clean up the house and take care of my life as I would say Mary while I was at work till I got some one. She cleaned the grass out from my wife's Rose's. She wheeled out on the porch one day and brother Charles was there read Bible to her. They would stop by often to see her. I can remember that no matter how much or whatever it was if she could help she try. She came by and was running a little bit short on money I can remember David said what is wrong how much she said I need a pack of cigarettes.He gave her enough for one pack told her that he was going to let brother Charles know and he he did. David said that he was going to be praying for her to stop smoking. David passed away but I am sure in heaven he saying sister Helen thank you so much for coming over the next day and saying that you was going to try to quit smoking. I think my dad and myself will miss her laugh and smile when we needed one she was she will like a person she will be missed by one and all we will miss her. She really was quite a person. My deepest condolences to you all Amen. Winnie Elliott and Helen Mason
