“ *Our Dear Helen, my husband's mother was a resident at Rooyal Haven both Woodstock, and Front Royal. We went every day to see Ruby and also Helen. She wanted fried potatoes so we took her some. She said they were just like her mother had made. Often took her other items. She was a kind and gentle sole. We will truly miss seeing her. We plan to go to her service on Tuesday. We love you Helen, may you rest in peace. Wilbur and Linda Thompson*

“ *My thoughts and prayers are with you and your family in the loss of Helen...she was my favorite when I worked at Rose Memorial....I took her out to eat sometimes with my family and she enjoyed herself....went to see her when she lived in Winchester and in Woodstock...I will truly miss my lady....she reminded me of my mom....she enjoyed the crocheted blanket I gave her...said it kept her warm...I used to do her laundry at Rose...*
