“ Jim Fertig was my best friend from 1971 until God called him home. He was opinionated and direct to say the least. You didn't have to worry about what Jim thought. He and I talked many times for the 45 years that I knew him. While living in Ga. we spoke by phone almost daily. Jim was not as tough as he would want you to believe he cared very much about his friends. Thanks God for allowing James A Fertig to be a part of my life. To all who knew him my deepest sympathy. SEE YOU LATER Jim
