“ Oh Eddie , what can I say .. you sprung in to so many lives on FB live parties and just became family to us all. You had such a giving heart . I remember him saying at times during the live read your messages and he had gone and gotten someone a piece of jewelry or gave his gift to one of our great people . He came to a party with us 2 summers ago and then we finally got to meet him in person . He did not disappoint. Just a wonderful man . Full of happiness and life . You will be so very deeply missed our amazing Eddie . Fly high friend .
