“ *Mrs Merriner,  
One of my fondest memories of you and Mr Merriner was a picnic invitation for my sister, Judy and me as guests of John and Jay. While there we visited the " egg grading room" to witness that process. John and Jay were caring a huge case of eggs and dropped them to a runny mess. Both you and Mr Merriner were so " it happens" and just raised an eye but not your voice. I'd like to think it was because "guests" were present even though you made us feel right at home, like family.  
Thank you for that.
