“ Dear Michelle and Rachel, and your family members--I don't know how, with as much time as I spend on FB that I missed this--until this morning when Bruce was praying....I am so sorry to have lost another of my friends and coworkers. I pray God will hold each of you close to His bosom with his loving and comforting arms, giving you strength and courage to go on. I have so many fond memories--camping, meals, and just plain everyday fun! The circle up There is getting bigger, and soon we shall all be together again!
