“ Jeff will forever be my Uncle Skeeter: A man with a generous heart, always smiling, and a laugh that was infectious. I always knew he was in the house by that laugh! I have way too many memories of him to list here but my favorites are those of him and my Dad working together on some project they had come up with. Here's a hug to all those who knew and loved him. He will be missed but never forgotten. Love and prayers to all, Angie
