“ To my dear ex-husband may you finally find peace from the demons that lingered in your head. We had bad times but we had some good times to. We brought three wonderful kids into this world. Being with you made me a stronger person who is no longer affraid to stand up to just about anyone. And yes you could be an ass. But than you could be sweet. May you rest in Peace. You will always hold a special place in my heart. Farewell JC
