“ Jack approached me just over a year ago walking at BHE in front of his home. We developed a friendship and he attended my church until his passing. I will cherish the memories! God Bless all!

“ My Uncle Jack was a character in the best way-funny and ageless. He would have given the shirt off his back . That kind of man. I will miss his voice and remember his heart ❤️

“ I remember my uncle Jack from my family's many visits to his parents when Bud and Louemma lived in Virginia beach. He had a wicked wry sense of humor and was always good natured. I always enjoyed seeing him and I know my mom, his sister, loved him dearly and thought of him to her passing. I remember his love for the Corp, and of course, his guns. Here's a picture with Jack on the right, his brother, Ted on the far left and his sister, Joan, my mom, in the middle, seated and with their spouses.
