“ *My deepest condolences to the Sandonato family. Joe was a great man. I loved working with him and we were fire together on the weekends! He was a big part of The Berryville Grille and he will be deeply missed. I know he is up in heaven with a fishing rod in his hand.*

“ *My very dear friend, best friend of my husband's, helped me through grief of my husband's death. We always shared ideas and recipes and good food. Our children grew up together and we always had fun fishing. When I shot my first wild turkey he taught me how to dress it, so I could pass my knowledge on to others. We also worked together for 7-8 years. Went through thick and thin! He will be dearly missed! Joe, when you get to heaven tell Larry I'm doing good and I will see you both again ❤️🙏*
