“ Timmy and I have known this girl for a long, long time. We raised our kids up together while being neighbors when they lived on Lauck Drive, Timmy pretty much grew up with her and Mike in Berryville. We’ve kept in touch with her and their boys to this day! Our son, Michael and grandson, Steele spent a lot of time with her and brought her to visit us back in the summer. I truly believe she is back in the arms of her beloved husband❤️ Sending condolences and prayers for strength to her children, family and friends. Heaven has gained a precious Angel ❤️
