“ I would go and spend a few weeks in the summer months with my grandma. My aunt Susie would wait to be picked up by grandma and I would bug Gram until we could go get her I couldn't wait for her to get in the car so I would jump out and tell her come on Susie. She was so fun to be with. Her personality was so bubbly and a hard worker. She actually made it fun cleaning the house, Gardening and taking care of the animals. We would have a great time together talking and joking around. We would all go shopping and out to lunch at least once a week. Aunt Susie was truly a sweetheart and now praise the Lord she is with him. You will always live in my heart until we meet again. 🙏🏻🙏🏻💕
