“ Karen, a truly beautiful inside and out ... there are few people that are as selfless and caring as her. ... She was more concerned about others than herself... always finding happiness in even the small things. my prayers go out to her family and my other cousins , aunts and uncles I am sure God has a plan for her.... but we needed her a little longer...

“ Karen I love & will miss you so very much. We shared so many things. And no matter what we were always there for each other. So many memories fill my heart. Camping trips, cookouts, sister day out. (Chinese & frozen coffees & thrift stores). Our secret road trips-what a blast! You were there for some of the biggest heartaches in my life. You were there when I found myself lost. I just can't imagine life without you.. My heart is so broken & in so much pain. I love you sister & I hope you find love & peace with those who went before you... & I hope we can find peace without you but I don't know how that will be possible. I love you with all my heart!

“ My condolences to the family. Mrs. Dellinger was always so nice to me when Terry and my brothers played baseball together. She always brought extra snacks to the game and made sure to have one for me. She will be missed by many.
