“ I went to school with Karen and knew her family. She and I graduated from Clarke County High in 1972. Heaven is receiving a beautiful angel.

“ To Karen's family, friends & acquaintances, I & my family send our heartfelt condolences. Karen & I went to school & graduated from CCHS together. I had not seen Karen for years but in the last two years we had come in contact through a job of mine that took me to her home in Winchester twice a week. I am so thankful to GOD for blessing me to come in contact with Karen again during those visits. Then I was involved with helping to pull together our 50th CCHS Class Reunion. During that planning I went to spend time with Karen at the Nursing home. Oh what a joy it was to spend time with Karen, as we remembered things of our youth. Karen was so bright, sharp & fun to talk with. I am so thankful The LORD blessed me with those few encounters with Karen; my classmate, my growing up community friend and sister in Jesus! I thankful to have known her! In compassion & care ... Yours Sincerely, Raymond H. Morton, Jr. Pastor Mount Olive Baptist Church, Middletown, VA.

I knew Karen as young girl. Her mother, Retha, was a very good friend of my mothers, Margaret Anderson. I have pictures of them together. I lost contact with Karen when her mother passed, and Karen moved to Berryville Ave. I often think of her when I ride past her apartment. I did not know she'd moved to a nursing home. Condolences to her family.
