“The news of his passing is both shocking and devastating. May your family find solace in the beautiful memories shared with your son/brother and uncle. He will be remembered for the kindness, laughter, and quick wit he brought to this world. Kenny was an incredible person who touched many lives. I will cherish his memory, and I am grateful to have known him.

“ *Life may not have always been easy; but you always had a way to be generous to others. I will miss you terribly and will always treasure the good times we shared as family. You always found a way to make us all laugh with your quick witted, sarcastic jokes. Uncle Kenny will never be forgotten. Thank you for loving me and trusting me as your "sissy" all these years. I will miss our talks.*
Family Always,
Marilyn (Sissy)
