“ *Very nice obit. Kevin was cherished by many. I only wish our relationship as brother and sister would had been closer. I know he is with our father and other family members who loved him dearly. Yes , he was a hard worker , not just for UTZ but every other job he had. I love you brother and can't wait to see you again.*

“ Kevin was a very dedicated Utz Vendor at our Springmills Walmart in Martinsburg, WV. He always had a juicy story to tell, with a cute sense of humor, always making me laugh. He was well liked by everyone in our store. It was very heartbreaking watching him battle his cancer, while he tried to keep working everyday in pain. God definitely received a wonderful man. He will always be in my heart. God Bless you Kevin.

“ I am a very good friend of Kevin's. I work with Kevin for a couple of years at Utz Quality Foods. He was a very good man he would give you the world if you would let him. He made you laugh but he could also be serious when you needed him to be. I remember when I was pregnant with my young child he was my driver at work. Every morning he would ask me how I was feeling did I need anything before we got our day started. A few years back when we got a big snow storm there we both were in the Utz truck stuck on 81 he was driving my home just so he knew I was safe and at home knowing he had to drive back to Winchester just so he could get home. He was a good person to talk to whether you were having a bad or good day. I will miss him and he will always be in my heart. Till we meet again Kevin. With lots of love

“ Kevin was a man of his word. I met Kevin through my children that worked with him. He made me laugh a lot, with the stories he would tell me about things they would do to each other. He was a hard worker. He will be missed.
