“ Though I haven't seen Larry for many years, I still remember my father and I hanging out at his service station when I was a kid. He was a great guy to be around!

“ *That smile on Larry's face tells it all. He always had a story to TELL and was always funny. We went to school together. We shared the same and Aunt and Uncle and when we were at family events he held the floor pretty much of the time with tales one after another one. Rest in peace Larry!!!!*

Stay strong and God will guide you along the way. I will always remember the days when I would be out walking early in the mornings and Larry would be coming up the driveway to get the paper we would stand out there and have a quick conversation because he was always in a hurry to get to work. He had such respect for your mom. Never heard him call her Jane it is was always Mrs. White. I will always remember some of the stories he would tell and make us all laugh. He would get so tickled him self and he had such a Happy laugh. May you RIP we will truly miss you.
