“ *1988 Louie and Nina came to my house for my daughter, I told Louie the presents were in a trash bag by the door, he said ok and then knocked, my daughter ran to see who it was ,Santa had arrived and she let him in, he sat on the couch and asked Katie if she had been good and she said "yes" so he goes to open the bag and sees it's a bag of garbage, he says, are you sure you have been good? Omg, it was so funny,we laughed and laughed, Louie said , man I'm hot I have to get out of here before I pass out.To this day everytime I would see him, we would laugh about the Christmas trash.He was a great guy and will be missed by many*
