Mom Is Not Here

Now is not the time of tragedy that it seems
The spirit of our sister is in the land of our dreams
While we wait with sorrow and tears
Mom's soul the throne of god nears

Look not at the frail earthly wrappings
Think of Heaven and the golden trappings
Weep not for me you can hear Mom say
For I am with the Lord Jesus this day

With friends and relatives who went before
I feel the pain and struggle of the body no more
Rejoice for now I have eternal life
No longer subject to fear and strife

So wave goodbye and smile
Mom now has crossed the final mile
She waves goodbye from the cloud

Shouting songs of praise and glory long and loud
