“ *Sorry for taking so long to reply but I've had a hard time bringing myself to even handling the thought of my love of my life gone. It's been rough and getting rougher coming up on her birthday. I miss her deep in my soul and miss the only woman in my life that had my heart, body, and soul in her hands. The only words I wish I could say to her is "I LOVE YOU AND ONE DAY WE'LL BE TOGETHER AGAIN "*

“ *Lillie was my aunt before she married my uncle Todd. I was in the hospital waiting to have my son, and Lillie stepped in my room. She asked me where my family was (talking in that country voice). She said "forget them all, I am your family. "She Prayed with me and when I woke up after the delivery she was still there holding my hand. Amen, for that Angel who stuck by me through the years. My grandmother loved her very much, if my grandmother asked for something Lillie would say it's already. She took very good care of her. God Bless Family!!*
