“ Lisa was a very special person. I first met Lisa when I transported her children to school. Later in life our paths crossed again as she became a caregiver in my home for my husband's mother. She was truly an Angel from heaven and could not have made it without her. We would sit and talk for hours sometimes. I grew to love her as family. She definitely left a lasting impact on my life. I pray for comfort for her family. Lisa you have your quality of life back now and no more pain. Love ya! Linda

In the short time I knew Lisa I could see what a loving and giving person she was. I could tell by the way she treated my daughter Alyssa, and grandson Ari. She showered Ari with love and attention. My heart goes out to Ronnie, Michael, Megan and her whole family. Thoughts and prayers to each of you.

Lisa was full of life, she loved my brother Ronnie so very much, they had so much fun together. When you were with them you were laughing and enjoying the time you had with them. One could just see the love they each had for one another. Lisa was very dear to our mom also. Lisa will not be forgotten.
