“ My dear sweet friend, I know it's been a long hard road for you. I'm so glad that we got to talk on your birthday I will cherish it forever. Thank you for allowing me into your circle of life starting at high school and Echo Village. I have great memories especially when you would race Billy's Nova down rt 7 and he would tell you when to shift the gears lol. Also sharing and standing with you on your wedding day. Beautiful memories with such a beautiful soul. Praise God for his promise of wholeness when He meets us at the gate. Your next journey will be what we hope for. You will be missed...love you my friend❤️
