“ Louis and I were in the Air Force for four years, 1962-1966, and served three of them together, one in Taiwan and two at Offutt AFB near Omaha, Nebraska. We were buds in the Air Force and remained so until his passing. He was my Best Man at my wife, Deb's and my wedding in Vermont in 1969.

We shared adventures together that will always be treasured. Louis was the ultimate Southern Gentleman. I only saw him angry once when I threw his old, windup, loud ticking alarm clock out the second floor barracks window and it smashed in the parking lot. It drove me nuts. Louis will be playing guitar and singing with the Angels in Heaven now. His good work on Earth is done.

Love you Louis

“ We called him "Louie" in school and at work. He was a wonderful man, lively, smart, and hard working. Helped on the '62 Class reunion committee for years. He was in the top 15 graduates I think. Sometimes I called him Louie Eye, ear, nose and throat...always laughed. With great sadness, much respect, and fond memories farewell dear friend. Carolyn Godlove Glaize

“ I will always remember the good and bad times we had especially the funny ones like when you locked the back door on me and I put my hand through the window.
