“ *I will miss you so much and so glad we texted the night before you left us. I reflect and smile... ya see? Although across many miles, when I'd visit 'home', we'd pick up where we left off. I'm glad we met over 40 years ago, and then worked together at Aikens Steakhouse... had fun at LFCC, traveling to NYC, Rochester, Sandbridge, Kings Dominion, Scott Edwards' Memorial Golf Tournaments, and just hanging out at my parents' house. For those who don't know you? They missed out on a whole lot of fun! What a friend to all she met. I'll miss your sense of humor and laughter! Go rest in peace and know you're loved! You made an impact in many lives! You did good! God bless!*

“ *I loved Maria's spirit, smile and amazing can do attitude. She told me Day 1 that IDEMIA was her family. It was fabulous to see her camaraderie with her colleagues, the fun stories she told and was always very specific of what she liked! We will all miss her! My prayers and condolences are with the entire family. With love, Megan Heinze*

“ *I am shocked and saddened by Maria's death. Growing up, I always looked forward to playing with her whenever she would visit West Virginia with the family. I won't be able to attend the funeral, but my heart goes out to all who loved Maria and particularly to Janice and Ryan. I know you will miss her dearly.*

“ *Ri,
Living so far away I didn't get to see you much but whenever we would get together it was as if nothing had changed. You were part of my go to, got your back group through the last 14 years. So glad we picked up where we left off at that 25th reunion. The stories and laughter our group has created and shared are treasures and the memories priceless. I will miss you my dear sweet friend. Rest now and I will see you again someday. Love you!*

“ So many years so many memories especially picking you up for work after another deer decided it liked your car. Best one was when the nice Sheriff gave you a ride to Sheetz in the backseat of her patrol car!!! She was so cool and played it out. I will never forget you and our talks and hugs. I'll see you on the other side. Love you!
