“ *My treasured friend: Born on the same day in the Farren Memorial Hospital in Montague City Massachusetts, Mary and I were lifelong friends - playmates - grew up together - shared Kindergarten and early school rooms at Bingville's Abercrombie School - kept in touch over the miles, wishing each other Happy Birthday on every July 15, via cards and phone, for many years. To her wonderful, devoted family, my deepest, heartfelt sympathy and wish for your comfort - as we lose one of the finest ladies whom we've been lucky enough to know and love.*
