“ I was Mary's caregiver for about 8 months and she was such a pleasure to be around. She always raved about me giving her the best baths and I'll never forget the laughs we had while doing it. She has made a big impact on my life as I hope I did for her. She will sadly be missed and always be loved. I will keep her family in my prayers.

“ Mary was a wonderful cousin and a wonderful friend. I am so glad my daughter, Cindy, took me to see her during this summer. Also, for Diane calling me to tell me her situation and I got to talk with her a couple days before this happened. I will always remember her. She really enjoyed the cane my husband, Charley Wallace, carved for her.
