“ Mrs. Frederick, Phillip, & family, it is with a heavy heart and sadden spirit that I learned of Maryann's passing and am sending my deepest sympathies. I too worked with Maryann at Omni Alarms. From the first day I met her, she welcomed me with open arms and she and I became quick buddies. I enjoyed listening to her many stories about things that happened in her life and the countless stories about Rascal. Mrs. Frederick and Phillip you were her world and she loved you both sooo much. I send prayers of comfort and healing your way, especially during these days when families get together to celebrate the holidays. She may not be with you physically during the holidays, but I know for sure she'll be with you spiritually. Heaven has gained another angel.

Thoughts & Prayers,
