“ So many memories. So many smiles. So many tears. I just don't know who else I could never share so many secrets with. Or something just silly. This is so unreal. I guess tomorrow it will make it real. No one in the family is ready for this. The only thing that gives me comfort is knowing that you're in heaven with the Lord. And happy that you won't have to see the impending doom that's happening to this world. There's so many others just won't see. But you've seen it. You trusted and believed in me. When so many others don't or wouldn't. Oh my sissy. I'm so sorry for so many times I could've seen you and I didn't. Because of being lazy or selfish. Those things in times I'll never get back. But I have many good memories. I'm going to miss your laugh and your smile and your hugs. oh Michelle McLaughlin. I don't even know what else to say. Not right now. I love you
