“ I loved this dear man. He came into where I worked every morning for a pack of Lucky Strikes and a coffee. He came to work there for a while and we'd always end the shift with a cup of coffee and a chat. He was without exception, the kindest, most respectful, true gentleman I ever had the honor of knowing. Rest in peace and without pain, dear Miles.

“ I have so many treasured memories of this man. He was a very special friend. Tried to touch base on his last birthday but feared something was not well when I couldn't reach him. My heart hurts for you...his family and loved ones. I smile when I remember our years working together and some of our shenanigans. To his family....treasure the good times and great memories. I know I do!! Love to you all
