“ Nancy was a key player in the success of Power/Warner Communications. There was never a task or challenge that she couldn't handle as our Administrative Assistant. I always considered Nancy a lifelong friend...and we communicated till the very end of her life. That humor and zest for life will be tremendously missed...God speed Nancy..Thank you for being a part of my life.

“ So sorry to hear about Nancy passing. She was such a vital member of Pleasant Valley UMC. I will always remember her kindness and her ability to handle any role in our church and do it with dignity and grace. Our thoughts and prayers are with her family and we rejoice knowing that she is in God's loving arms now. She will be in paradise.
