Shannon,
She love talking with you and your mom. I loved it when she was around your mom , because they would talk up a storm. It was nice because they both were country girls.

“ My first time meeting Nancy was at a Chucky Cheese party. Yes, we were ALL well into adulthood, but we had a blast taking whacky pictures & playing games. I was drawn to her fun spirit & infectious laugh & quickly considered her a friend. RIP...The world is a sadder place without you my friend. 🙏🕊️

Thank you for the kind words. Mom really enjoyed that day with everyone. She was a big kid at heart. Thanks for bringing that great memory back to me.
