“ *You were taken from me to soon. I still hear your voice in my head. This doesn't feel real. You are warm and kind, this isn't fair. I love you so much. I love all the wonderful memories we have made together. I know that you will guide me and hold my hand through the rest of my journey. And when we meet again, we will sit on that sandy beach together on the ocean as long as you want. I love and miss you with every breath that I take. 💕💕*
