“ I just heard about Page, I am very saddened to hear she passed away. We had a wonderful time together back in the early 80's. Rest easy girl.

“ Page and I grew up close because of her Momma . Her momma and my Dad always grew up as Brother and sister . When I was growing up , we drove to Winchester almost every Sunday . My Dad was born in Winchester and was extremely close to Page's grandparents . It was so much fun to always have Page and Laurie to play with when we came to town . Cousins don't grow up like this now . Will really miss you Page . I did not know that we collected the same thing . I am a Lucy collector too , I have a Lucy room . I have been to Jamestown , New York (Lucille Ball's hometown) several times .

“ Mommy, you were my best friend. I will always miss our Jeopardy competitions, our shopping trips, our "Roseanne" marathon Saturdays and our "Golden Girls" marathon on Sundays. I am taking care of Daddy, don't you worry about us one bit. We are OK. Please watch over us. Chevy and I love you more than all the clouds in the sky, more than all the tea in China, more than all the water in the ocean. Rest easy and enjoy happy hour in the sky. ❤️
