“ Pam was our neighbor down the road. John and Pam worked together at Crown Cork and Seal. Lots of memories from that place - some frustrating but also good times. And Pam helped us both with our taxes. I bet we are the only people who looked forward to a trip to the tax preparer's office because we knew we would get a chance to have some good laughs! Pam could make us laugh just about any day of the week - she had a gift to share her humor. The last time we saw her - not very long ago when she stopped by our barn - she seemed so happy and looking up. She of course gave John a bunch of it - teasing him as always. We will miss her every day when we drive past her little red house. I betcha that heaven is a lot more fun with her up there. Sending our love and condolences to her family. And we will make a contribution to the Reynolds Volunteer Fire Department in her name to honor her memory.
