“ Oh Pam...you were a force to be reckoned with way back in 1983 when I first met you! You opened your arms and heart and showed God's love to all you met!! I spent my first 'Holy Days' with you and Charlotte and listened to all you girls did and was astounded!! Your passing will leave a great void in many hearts and lives. We will miss you....until we meet again. Hug Rick for me! Prayers and love to all of your family... with much love... Alison Duvall

“ Pam was the first person I played with when we were little girls, I was born 5 months after her, we had so much fun making mud cakes and running around the fields. we lived very close to each other until I was 5 and we moved away, but always came back to visit. later in life we would go see a movie and eat out a lot. we would plan family reunions for all our family to get together. I will miss my first playmate but know you are in a better place now. love goes out to your children. love you, Darlene
