“ Patsy Riggs will forever be remembered and loved by her work family. I had the privilege of working with Patsy for 18 years. When we parted ways last year when I took a new position she told me I was the couch to her chair. I will forever hold that in my heart. We shared so many laughs, good times, stressful days, tears and love. She was truly one of a kind! She loved her family, her co-workers and her community. Her smile and laugh was infectious! Her customers adored her and she not only took care of their banking needs, she made them meals, bought them candy and most of all she really cared with all her heart! I will miss you my sweet friend! I take comfort knowing you are with Jesus and we will be together again one day. I love you Patsy Riggs. 💜

“ Patsy has a special place in the hearts of our family. She welcomed my sister, Misty into your family many years ago and they shared a very special bond! I hope your beautiful memories will help lessen your heavy hearts. Patsy is breathing easy now and she will watch over all of you and guide your way. Thinking of you,
