“ Oh what sad news to hear.
We are so sorry for the loss of Miss Polly
We have so many good memories of her. One of my favorites I
think, was her coming in at Highs Dairy at Sunnyside when I worked
there, to play the lottery.
She just knew she was going to hit it big someday.
Well now I guess she has hit the “jackpot” because you can’t win a
better prize than going to Heaven.
We love you all and send our condolences to each and every one of
you.
We are still up here on the hill if you ever need anything.

*Love and Peace,
Paul and Pam Miller*
