“ *I met Michael while attending the visitation of his Aunt Frankie. He was such a sweet young man. I know his momma was proud of him and loved him so very much we would have long conversations about our children to each other. I had no idea I would lose my friend Vanessa and then Michael so soon. My heart is broken for his dad Mike. Mike, know my prayers are with you and we are a phone call away. Don't hesitate to call. Hold him in your heart until you can hold him in your arms again. God bless you.*
