“ Our thoughts and prayers are with you and your family. We only met Heuy one time
But seemed liked we had known him for a long time. It's never easy when something like this happens. There is so much hurt and sadness. We have to remember he is not in pain anymore and is resting comfortably with God. He is at peace. he would want you to move on and celebrate his life with all the good things he left with you. Love and 2 children. May God bless you and give you peace.
