As his Parkinson's disease progressed, he and Marty moved back to Virginia in 2012 to be near family and he became a faithful member of Stephens City United Methodist Church.

“ Dick and Marty and his wife Marty are one of the nicest, most wonderful and generous people my husband and I ever met. They gracefully hosted us in their home and treated us like we were part of the family while we were covering the Sundance Film Festival in Park City, Utah. We lost contact after they moved away to Virginia. I tried sending Emails but all went unanswered. Couple of days ago Dick and Marty came to my mind and I got on my computer, and found photos from our Sundance film festival days tradition Stein Eriksen Lodge in Deer Valley buffet where we enjoyed our time together. I was always bothered by the fact we lost contact, so I decided to look online to see if I could locate a phone number, or an Email address and was shocked and saddened when I found Dick's obituary. I feel really bad that we didn't know Dick had passed. I love Dick and Marty. I will never forget their love and generosity. R.I.P. Dick we will remember you forever and ever. Sam and Nidia.

“ So sad to learn of the passing of Mr. Kleffman. I have many good memories of our neighbors, the Kleffmans during the time we lived in Sterling Park. I remember Mr. Kleffman driving the Nelson and Kleffman kids to D.C. to see the sights during our school breaks when Sterling was experimenting with year round school. And very memorable New Years parties in the basement of the Tazewell house. Good Memories!

“ Richard will be missed by his Lynn Care family. We all have our special memories of him. For me that would be our morning ritual. I would greet him at breakfast with this little tune when it first started he would just chuckle at me but then before I knew it he was singing along. Rip Richard.

“ *The Kleffmans are our family! Tommy and I were born in Brasil together! Conner was at my home daycare and was best buddies with my son! We grew up living overseas with the Kkeffmans and always visited them when they lived in Sterling. If anything happened to my parents while us four kids were growing up Mr and Mrs Kleffman would have become our legal guardians. It's a great loss to lose them both. Praying for Ricky, Greg and Tommy! We love you all and your wives, kids and grandson!*💙💙💙

“ *The coolest uncle ever. Witty, wickedly intelligent and the man who hosted my first trip to Europe, made sure I learned to ski and shared some of the best books I ever read. His taste in music was exquisite. And, his interest in the Weather Channel inexplicable. I will miss the powerful brain and dry sense of humor the most. Au revoir, Uncle Dick.*
