“ Judy and girls, So sorry to hear of Ricky's passing. He and I kept the link together between the McDonald 's side. When we would see each other a couple times a year we would play catch up on all the news. I will miss seeing him and his big hugs. He would always ask about Chuck. My heart aches for your lost and my God hold each of you in the palm of his hands for the days to come. Love and Prayers

I am deeply saddened by this great loss. Ricky was a great man and always willing to do anything for anyone. Wendell and I had great respect for him and his generous volunteer work at JWHS. We have laughed about the time he was grilling hotdogs for us trying to get them very well done and it set off the fire alarm and the school was evacuated. Players in uniforms and fans and workers had to go outside. The fire trucks came and it was a lot of uproar for a false alarm Judy is a great lady and she too has always gone the extra mile to work hard for JWHS. Her pep and energy has been amazing. She is such a hard worker and has a heart of gold. I hope Wendell and Rick are reminiscing JW sports and having a grand time dancing on those beautiful streets of Gold. May God bless you Judy and your family in special ways.
