“ *My condolences to the whole family! Bob was very special to our family and we loved him dearly. He was our neighbor for 12 years and we have such fond memories of him. He had a personality that lit up any room he was in. His laughter was contagious and he had a broad range of insight from such an amazing life. You are missed Bob!*

“ *Bob's brain held so much information, it is a wonder he could contain it all. My husband and I loved listening to stories of his travels and his knowledge on so many subjects. We are so very sorry we cannot be there for the celebration of his life.*
