“ I always will remember Wayne as a man of integrity, say what you mean...mean what you say kinda guy. He touched a lot of lives in our small community of Middletown and helped a lot of folks when they needed it most. For many years he was the go to guy for all your vehicles and service needs. He had a profound sense of humor and a laugh like no other. Even in the bad times he could smile and go on with his day. I'll always remember the Exxon Christmas parties ,that was a special time for all of us that knew Wayne. May you Rest in Peace my brother until we meet again...you may be gone ...but you will never be forgotten.....

“ He had a loud boisterous laugh combined with a smile that showed he loved life. He showed up at my house in Tenn one cold but sunny New Years Day and wanted to go water skiing to “start the new year off right”. All through our lives together, he was more like a brother than a cousin with me. Rest in peace, Wayne
