“ So sorry to hear about Roger. We went to school together and ran into each other a couple months ago and reminisced about the old days. Good guy, will be missed.

“ 10/26—I will miss him forever. He and I talked every day. And he worked a lotta services for me all this year helping me to get two homes on the market, plus much more. Grew up with him on the same street and knew his family. I told him many times how grateful I was if his knowledge and services. I told God: thanking HIM for letting Roger in my life when I was needing. He was very gifted and very intelligent in his knowledge of what he did. His passion was not greedy, but fair. That is what drew us in our friendship. So I'm very heartfelt in my chapters spent with us working on houses. My heart and prayers go out to his family's that God will comfort their hearts knowing he did believe in God and he was the most positive person that I've ever known. Hugs and love in Jesus name

“ No words can express the loss of our good friend Roger. We had so many good times and treated him as family and he was a great part of our family. God gained a wonderful man and we will forever miss him. He was a great help to the Southern Governor Band. Rest in peace Roger and will see you one day again. Prayers for his sister and brothers and family.

“ I was so sorry to hear about Roger’s passing. He and I had some great conversations. A lot of people were surprised with how much he knew and how much he could do. He would often get bonuses at work for accomplishing things that others could not do or even begin to figure out how to do. Yet he stayed humble and was always willing to help others. Thanks Roger!
